

PROGRAM COORDINATION

Cosi | **McGraw-Hill** | **AMNH**

30-60% YoY growth • 73+ courses coordinated • 1,800+ students served • 20+ educators managed • NGSS curriculum design • Storytelling pedagogy • Gamification methods [Barry Joseph] • Event planning / production • At-risk youth advocacy • Holistic support leader • **Online instructor** [Masters of Teaching Program, Richard Gilder Graduate School] • Editor [MS science / State science standards] • Team leader [Gadgets / Life]

EVENT OPS & MANAGEMENT

Philips DePury | **Gateway Film Center**

50+ staff supervised • Large-scale logistics • Training materials design • Bar operations control • Algorithmic recipe generator • Compliance certified • CX leadership focus • Art handler (Picasso, Van Gogh, Hirst) • High-volume photography • Digital asset management • Former CDL holder • Event ops coordination • Flexible workflow dev • Hardware & software management [Computers / iPhones / iPads] • Outreach logistics [AMNH / GSBR]

SCIENCE & ANALYTICS

OSU | **MC²** | **LTS**

Geological Sciences B.S. • Paleontological microscopy / photography • Geology field technique • Microfossil processing [chemical digestion / precision graded sieving / heavy liquid & magnetic separation / kiln-drying] • TEM microscopy / sample prep [plasma etching, vacuum coating] • EDX / X-ray crystallography • Laboratory legal compliance • Invertebrate paleontology • Conodont biostratigraphy [Dr. Stig Bergström] • PLM workflows • Systematic inquiry • Evidence-based analysis • Python / UNIX conversant • Web design [OSU Physics Dept | Camelot Music | The Tannahill Weavers] • Systematic nomenclature • Cladistics • Science history • Philosophy / epistemology of science

METHODOLOGY

Interdisciplinary bridge • Role-segmented AI • Principle-investigator style AI pipelines • Teach-back sanity check • Adversarial workflows • Legitimacy transparency / Halt-constraint • Concept > Protocol • Perceptive persistence • Pedagogic reflection practice [Preeti Gupta] • Systems thinking • Purposeful play

INFLUENCES

Don Herbert • Carl Sagan • Douglas Hoffstadter • Stephen Jay Gould • Thomas Henry Huxley • Alfred Russell Wallace • Toni Morrison • Dante Alighieri • Octavia Butler • Yvette Borup-Andrews • Roy Chapman Andrews • Matthew Barney • Damien Hirst • Mark Gunderson • Dr. James Hughes • Steve Hayworth • Terence McKenna • Robert Miles • Steve Whitt • Ralph Scott • Joe Bellomy

NARRATIVE & MEDIA

Stage performance / public speaking [Cosi | AMNH | SoT | GSBR | Trivia] • Systems > Concepts > Human narrative • Immersive storytelling • Media spokesperson • National television [Animal Planet] • Radio [NY1] • Science writing [Utecom | McGraw-Hill] • Sexology on Tap cofounder • Live event hosting • Rhetorical strategist • Information management • Planetarium performance / dev [Carter Emmart] • AI podcast producer • Turning human-written fiction into AI-assisted video [Fictional Topologies] AI persona development • Educational play [spreadsheet art] • Humor [writing / standup] • Published author [science fiction / fantasy] • SFWA Networking • Games for Change • ISTE Poster Session [Educational Skyrim Hacking] • ASTC Talk [Student-Led Planetarium Shows] • National Science • Engineering Fest [Moveable Museum] • Makerfest [Printing Dinosaurs] • Repurposing off-the-shelf tech • Terminology development • Personal experience-based mentorship • Print / web layout [HTML / LaTeX / InDesign / Acrobat / MS / Colab / Sheets / Adobe / Quark] • Epistemological transparency / rigor • Cohesive branding strategy

ART & INVENTION

JuliAnne Jonker | **Burns Auction & Appraisal** | **The Raritarium**

Portrait photography residency [JuliAnne Jonker] • Constraint-driven innovation • Custom camera fabrication • Transparecam concept • Building functional cameras [AccordionCam | ClampCam | ScotchCam | CanCam | LightFunnel | TheRoyale | KeeblerKam | CameraeObscurae] • X-ray film processes • Analog darkroom chemistry • Expired stock development • Epoxy encapsulation art • Found object assembly • Lyricist / Poet • AI album producer [Fair to Middlin | Blacklight Rainbow] • Zine founder / editor / writer [the floating liars' club] • Product development [CaffieneCream] • Breaking AI • Multi-agent workflows [ChatGPT / NotebookLM / Consensus / MJ] • Photoshop • Mid-journey • Nightcafe.studio • Textbook cover design • Drawing / Painting skills • AI podcasts [Boxful of Light / DebatingAI / Grab Bag / Hacked, Mortared & Stewed] • Multilevel AI emulation analytics • Systematic AI modal personalities [MathMech / Sage / Refractor / LeanLock / AuditSupervisor / ModuleSupervisor, The Virtual Board] • Authorial voice emulation [MametBot] • Historical persona emulation [Teen Einstein / Enheduanna]

OTHER

Fluent German (near B2) • Historical cooking [Middle English translation / interpretation] • Brewing expertise • FOIA requests • Pro se legal drafting • Founder's mentality • Code logic algorithms • Creativity algorithms • Etsy shop building [The Raritarium] • Antiques / collectibles • Linguistics [diversity / lx change / semantics / historical] • Germanic languages / dialectology • Evolution of English evolution / periodicity
